All information about prices and facilities provided by hotels.

Dear present and future guests to Munich,

With a capacity of more than 50,000 beds, Munich, the Bavarian capital, offers a wide range of accommodations for all tastes and budgets.

This official list provides an overview of hotels, pensions, guesthouses and youth hostels in our city. It also gives information about the most important services and facilities.

The hotels are listed according to the following criteria:

- location (Center, North, East, South and West)
- classification
- price

The list of youth hostels, guesthouses and camping sites follows the hotel list.

For information on Germany's official classification system (DEHOGA stars), please go to: www.hotelsterne.de/system_kriterien.php

Please note:

As in all cities, the hotel prices in Munich change whenever a trade fair, a special event or the Oktoberfest takes place. You will find the best price-performance ratio in each category during off-peak periods.

For further details, please contact our hotel reservation service (+49-(0)89-23396555, hotelservice@muenchen.de). Our specially trained multilingual team will be glad to help you find the accommodation best suited to your needs.

We wish you a pleasant, eventful and relaxing stay in Munich
